

50 Years of BITs - Timing 1 Dec

Here is the latest information about the timing of events at the opening ceremony on 1 December.

The Prime Minister of Pakistan will be attending the opening ceremony. Due to his presence and the attendance of other high-ranking government officials from both Germany and Pakistan, extra security measures will be put in place.

Photo ID

Please bring photo identification with you as this will be required for admission to the conference hall.

Timing

Please allow plenty of time for admission and registration. We are expecting a very large number of people and security measures will inevitably take time. We ask for your understanding.

The opening ceremony will start soon after the arrival of the Prime Minister. We request that all delegates be ready to take their seats by 18:30.

Registration will open from 17:00. Light refreshments will be available in the conference hall from that time.

The precise timing of the opening ceremony may be subject to last-minute adjustment. We recommend that you check the website to see if there are any last-minute details.

We wish you a safe journey and look forward to greeting you in Frankfurt!
